

The Intelligencer.

MONDAY MORNING, AUGUST 21.

DEPUTY SHERIFF CAPTURED.—One of our firms in this city have a claim against the steamer *Hard Times* which the officers refuse to pay, and legal proceedings have been instituted for the recovery of the same. On Saturday the *Hard Times* arrived from Cincinnati and Deputy Sheriff Wm. J. Irwin, armed with the proper documents immediately went on board to take possession of the boat. Having served his process he was proceeding with his arrangements, when he suddenly discovered that the plank had been pulled in and that the boat was on her way to Pittsburgh, carrying him as a passenger against his will. When last heard from he was still on board bound for the Smoky City. We hope he will have a pleasant trip. The other passengers will doubtless be well entertained as the boat is thus provided with two Captains, who will strive to outdo each other in their polite attentions. One of the clerks of the aforesaid firm accompanied the Sheriff, and had the benefit of a free passage to some point above where he abandoned his friend, the Sheriff, and left him to his fate, and returned to the city by rail, arriving here late on Saturday night. The officers of the boat will probably find that they have committed a grave error, which may cost them dear. Measures have been taken to have her brought back to this city.

RIVER.—For the past few days the weather has been warm and dry, causing the river to fall rapidly. Yesterday evening there was about three feet six inches in the channel, and falling. The Parkersburg packet *Boyard* has laid up and the *New State* has taken her place in the Parkersburg trade. The *Hard Times* arrived from Cincinnati and was attached for debt, but left very uneventfully for Pittsburgh, carrying the Deputy Sheriff with her.

Owing to the caving in of a tunnel on the North Western Road, freight usually shipped to Parkersburg for points below is now brought to Benwood. Yesterday the steamer *Allegheny Belle*, engaged in transporting this freight, arrived at Benwood with her barges, which will be loaded for points below.

The Potomac has been chartered by the Louisville Mail Line Company, and will run between Cincinnati and Louisville during low water. The *Pine Grove* takes the place of the *Potowmack* in the Cincinnati and Wheeling trade. She leaves here to-morrow evening at 5 o'clock.

The *Eagle* is the Parkersburg packet this morning.

SHOOTING APPRAISER IN MARTINSVILLE.—A RETURNED SOLDIER KILLED.—On Friday evening an affray occurred at the tavern of Chris. Ensinger, in Martinsville, in which Charles Armstrong, formerly a Lieutenant in the 1st West Virginia cavalry, was shot in the head and killed by the proprietor of the house. It is represented that the landlord being out, Mrs. Ensinger was attending at the bar. Upon the return of her husband she informed him that the deceased had been acting in a disorderly manner, and had insulted her. Ensinger at once expelled him from the house. In a short time Armstrong returned and made some threatening demonstration; also went behind the bar and took out a bottle of liquor, which he carried with him to the yard in the rear of the house. Ensinger having armed himself with a revolver, followed him out, when the altercation was renewed. Ensinger drew his revolver and fired, the ball taking effect in the forehead of the deceased, who expired in a few minutes after the fatal shot was fired. Ensinger has been arrested and lodged in the St. Clairsville jail to await his trial for the offense.

ARRANGED.—The difficulties between the civil and military authorities have been satisfactorily arranged, and a perfect understanding exist, between the city authorities and Lieut. Col. Van Buren, the present commander of the post, by which all future difficulties will be avoided.

On Saturday, Mayor Sweeney ordered the release of the three prisoners belonging to the 122d, and who had been sentenced by the city authorities. The men were highly pleased with the clemency of the Mayor, and promised that their behavior should be unexceptionable hereafter. We hope that this is the beginning of an era of good feeling between the authorities, soldiers and citizens, that will continue unbroken so long as the regiment may be required to remain in the city.

OLD.—A friend has furnished us with a copy of the *Pittsburgh Recorder*, bearing date November 22d, 1825. It was published by John Andrews, on Fourth street. It presents a very dingy appearance, being printed on a very inferior quality of paper. Its latest eastern dates, were November 10th, which shows a great improvement in the mail service, since that period. It also contains a communication on the subject of establishing a theatre in Pittsburgh, which was being agitated at that time. The writer opposes it on the ground of immorality, and also argues that it would be peculiarly unsuccessful.

SEVEN-THIRTY.—The last series of this very popular United States loan is now about exhausted. Mr. S. P. Hildreth, of the Savings Bank of Wheeling still has a few of the bonds to dispose of.

Persons desiring to invest in a safe and good interest-paying security, should apply immediately as the opportunity will soon be past.

PAID OFF.—The payment of the 10th Infantry was commenced on Saturday and concluded yesterday. The clothing stores, as usual, done a thriving business. We understand that their establishments opened yesterday morning. We presume they expect to pay the privilege of vending on Sunday.

Municipal Court of Wheeling.

Judge of Court.—The Municipal Court of Wheeling, so far as its police jurisdiction is concerned, will be held at the basement of the Court-house, in the room adjoining the lock-up, from nine o'clock, a.m., of each day, (Sundays excepted), until the business of that day is closed. And after said day's business is closed, arrests made will be heard on the next day after service of process unless good cause be shown for continuing the cause to another day.

And the officers of said court on making arrests according to law will keep such person or persons in said lock-up until the next session of the court as above indicated.

M. C. GOOD,
Judge of Municipal Court of Wheeling.
August 18, 1865.

The Clerk of the Court will be found in his office in the City Building during business hours, except during the sessions of the Municipal Court, when he will be found at the Court-room.

From the above extract from the minutes of the Municipal Court, it will be seen that the sessions of the Court for the transaction of the police business of the city will hereafter be heard in the room in the basement of the Court-house, which has been fitted up for that purpose.

BOARD OF SCHOOL COMMISSIONERS.

An important meeting of the Board of School Commissioners was set for Saturday evening. At the appointed hour eight members were in attendance, and after waiting for a considerable length of time, for want of a quorum, adjourned to meet again on Tuesday evening. The special object of the meeting is to fix the salaries of the teachers for the ensuing year. The time for re-opening the schools is almost at hand, and it is important that this matter should be attended to at once, as no arrangements can be made with the teachers until this matter is settled. The interests of the schools demand that every member of the Board should attend these meetings, until all the arrangements for carrying on the schools have been completed. We hope there will be a full turn out to-morrow evening.

TO-DAY.—The valuable building lots, advertised by Thomas O'Brien, will be sold on the premises, in Rittenhouse, this morning at ten o'clock. Persons wishing to make a good investment, should not fail to attend.

DISORDINARY.—There was some very disorderly conduct yesterday evening at the Centre Wheeling market house. We are informed that one of the police officers was present, but are not posted as to the origin or nature of the difficulty.

CIRCUS.—The circus arrived in town on Saturday. The band-wagon drawn by eighteen horses passed through the principal street to the great delight of city urchins.

DETAINED BY FOG.—The steamer *Eagle* was detained by fog. She goes out this morning at the usual hour.
